

TO WHOM IT MAY CONCERN

Certified that I visited

today Modern Sr. Sec. School located at

V.P.O. Kharkara Distt Rohtak run and administrated by Laxam

Vikas Samiti Kharkara After inspection I found that double storey building constructed at load bearing structure with additions of RCC columns, RCC Beams and RCC slab etc with brick masonry cement mortar, wall plastered and distempereed walls surface and cement concrete flooring with wooden/ iron work and well painted are quite good and in safe condition. The school campus is well equipped with E.I. & P.H. Necessary precautions had been taken into mind while electric wiring with MCB. The school building had been established during 2008. The structure is quite safe and form structural considerations for further 20 years. All the necessary precautions have been taken against natural calamities.
